Future Training Classes

June 13 -16 Verona VFD, Regulator Training.

The *Annual Harvest Festival* is a little way off. Last year was a great success due to the volunteers. If anyone knows any businesses that would like to donate \$100 in support of this event their advertising will go on the lunch placemat, and they can put their logo on a homemade boat that they make (see dimensions below) which will be displayed at the Fire Hall. Last year, we had 10 businesses donate, which covered about 2/3 cost of the event.

Spread the word, the Great Boat Race is coming back strong this year, if an individual wants to make a boat, no bigger than (1' wide by 2' long and no engine), to enter let Paul or Jim know.

If anyone knows someone who wants to donate a basket for the Basket Raffle Section, they can donate it early let Paul or Jim know.

Volunteers Needed:
